

Learning for Life in a
Community that Cares

Dear Parents/Carers

13th January 2017

With the start of a new year we are revising how regularly we send out our school newsletter in an effort to streamline communication and make more use of the school website.

Our use of Parent Mail is well established in school now and we will continue to use this as our main method of communication between school and home.

The school website has news, photos, dates, curriculum details and general information as well as links to other useful websites. There is also the option to translate the website into your preferred language.

We have added a 'Latest Updates' section on the main page of the school website which we will update as necessary, so please do check this out regularly.

In future, newsletters will only be sent out at the start and end of each term.

Regards

Mrs Fitzgerald
