

## **Weston Hills CofE Primary School Pupil Premium Grant Expenditure Statement to Parents**

### **Pupil Premium**

At Weston Hills CofE Primary School we support all our pupils. We do this by providing high quality classroom teaching, supplemented by interventions to support vulnerable learners as and when required. The School Leadership Team and Governing Body monitor the impact of all spending and interventions, including the Pupil Premium. We endeavour to encourage parents and carers to apply for free school meals where pride, stigma or changing circumstances act as barriers to its take-up.

### **Key Facts**

The Pupil Premium is allocated to children from families who are currently known to be eligible for FSM in both mainstream and non-mainstream settings and children who have been looked after continuously for more than six months.

The Government has decided that eligibility for the Pupil Premium should also be extended to pupils who have been eligible for FSM at any point in the last 6 years. The reason for this is that, as a group, children who have been eligible for FSM at any point in time have consistently lower educational attainment than those who have never been eligible for FSM.
