

WESTON HILLS CHURCH OF ENGLAND PRIMARY SCHOOL

CELEBRATING SUCCESS POLICY

In line with our Mission Statement we celebrate success and aim to encourage children to 'stand on their toes' to achieve it. We believe every child is good at something (or has the potential to be) and we will celebrate that success. Success is celebrated every day in the classroom, in weekly celebration assemblies, end of term trophy awards. We also celebrate children's individual or team success in and out of school in a range of sporting and non-sporting activities whenever possible. Children show success in their learning through themed days and Collective Worships to which parents and governors are invited.

What is celebrating success?

Celebrating success is to publicly praise, extol and honour the fact that an effort has been accomplished and brought to a successful conclusion or desired result. We do this through certificates, stickers, trophies, team points and stars of the week.

Aims

Our aims in celebrating success are to:

- Create a positive atmosphere within the school and classroom
- Recognise and applaud children's achievements
- Recognise and applaud academic success
- Recognise and applaud social successes
- Recognise appropriate behavioural successes

Objectives

In celebrating success our objectives are to:

- Build self-esteem
- Motivate individuals
- Act as motivation for others
- Value what the child has done
- Raise expectations
- Encourage steps to learning
