

Learning for Life in a
Community that Cares

June 2017

Dear Parents/Carers

This term, in order to help the children make a smooth transition to their new classes for September 2017, we are providing 3 full afternoon sessions and one full morning session when the children will go to their new class. This will happen on the afternoons of Monday 3rd July, Monday 10th July and Monday 17th July and the morning of Tuesday 18th July.

By giving the children more opportunities to get to know their new class mates and class teacher we hope that some of the normal anxieties about new classes will be greatly reduced.

The Year 6 children will be with Mrs Alexander during these sessions so that she can do some work around preparing them for transition to secondary school.

With this transition programme in mind, we have provided information below about which class your child will be in when they come back to school in September 2017.

Please be assured that the needs of every child have been carefully considered in deciding their new class. This includes consideration of their academic progress, self-confidence and social/emotional development.

Kind Regards

Mrs Fitzgerald

Next year your child _____

will be in _____ Class and their teacher will be _____.
